Few bands in New England generate more live intensity and energy than Bang N' Jane. For over 15 years, the hard rock band has entertained audiences with their sincerity and power. Melding the essences of hard rock, their own signature style and similar to Motley Crue, Bang N' Jane has broken the barrier between hard rock and dance for the local scene. Well versed at "Packing the House and the Dance Floor" the great looking members of the band know how to please the crowd!

They have opened for national acts: 3 Days Grace, Powerman 5000, Badfish, Gary Hoey, L.A. Guns and Molly Hatchet. The band has also played the New England Patriots Superbowl tailgate parties with WHEB (100.3) three years in a row. In October 2001 they headlined the live free or ride Benefit For 9-11 which raised over \$24,000.00. They also headlined Motorcycle Mania at the Whittamore Center in April with opening act Riot Act helping out.

Mike Frampton: Mike's flamboyant, unrelenting energy explodes on stage. He goes beyond the traditional front man and makes it his personal responsibility to ensure every fan gets their money's worth. Influences include Creed, Rolling Stones, Bad Company, Kid Rock and God Smack. Mike's diverse influence can be heard in the way he sings as well as the lyrics he writes. Mike says, "my heart belong to the harder edge of music".

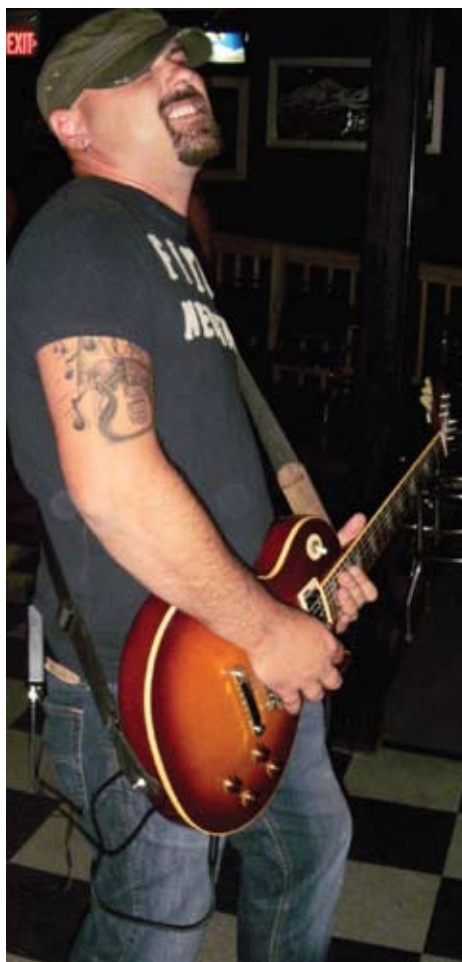

Billy Evans, Lead Guitar. His charismatic personality lights up the stage. Playing for the audience is one of his key charms. Sweaty riffs and awesome ability shows the music lovers that not only does he have the looks, but the talent as well to rip it up!

Robert Pouliot, Bass Guitarist. With his six string bass, Pouliot is the key for anchoring the harmonic framework and laying down the beat. With his unique style and years of experience Pouliot ties the beat of the band together!

Jimmy "U" Ufonak, Drums. Jimmy first picked up the sticks at the age of 11, and he's been beating the shit out the drums ever since. His hardcore talent conveys the rhythm of the music, his beats keep the dance floor hopping.
